

## Model YDB-01B

### Overview

Model YDB-01B is a kind of end-user product to realize FTTH solutions, applying for home or work area to complete fiber access and port output, meanwhile, protecting the fiber core.

### Features

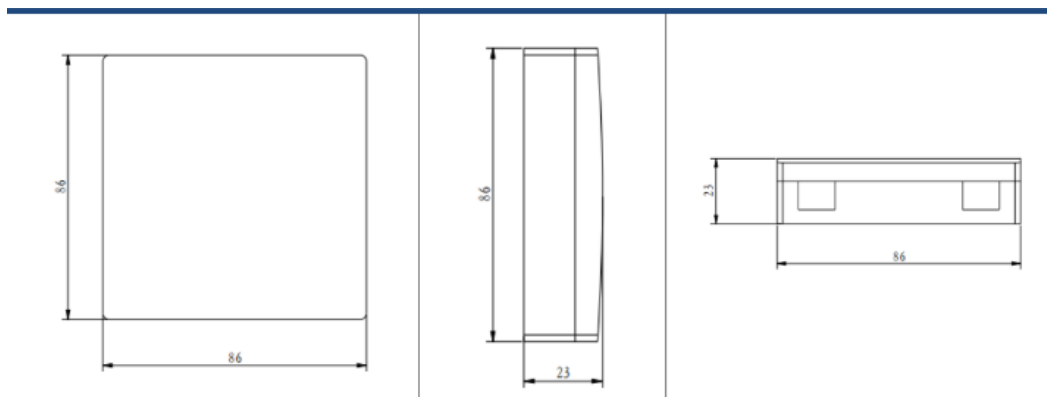

- The body is made of high quality engineering plastic with good strength,
- With double-page design, the box can be installed and maintained easily, the fusion and termination are completely separated
- Adopt the clamshell design effectively protects the inlet & outlet optical fibers, making the optical fibers difficult to break.

### Technical index

Model No.	YDB-01B	Color	White
Capacity	1 cores	Material	PC+ABS,
Dimension(L*W*DMM)	115*86*23	Flame retardant performance	Non-flame retardant
