

80-148KG Door Closer VIV-DC04

The VIV-DC04 Door Closer (80-148KG) is a heavy-duty device designed to automatically close doors weighing between 80 and 148 kg. Ideal for commercial and industrial use, it ensures smooth, controlled closing to enhance safety, security, and energy efficiency. Adjustable settings allow for customized closing and latching speed, making it suitable for high-traffic or fire-rated doors.
