

VIV-TFS50 Metallic Fingerprint Sensor Access Control

The VIV-TFS50 is a slim, metallic TCP/IP WiFi access control system featuring a 2-inch touch keypad and aluminum alloy case, equipped with a capacitive fingerprint sensor for accurate and durable performance, supporting T9 input, ID and IC card access, and offering multiple communication methods including TCP/IP, RS485, USB, and U-disk, while also allowing easy import/export of user data and attendance reports in Excel format via USB, with optional IP67 waterproofing for use in demanding environments.

Features

- *Metallic case, new design with touch keypad, slim and elegant, 2 inch Touch Key Fingerprint access control device with Aluminum alloy Case*
- *Applied capacitive fingerprint sensor, which is good at recognizing live finger and long lasting use*
- *Support T9 input method, ID and IC card swiping together*
- *Standard TCP/IP, RS485, USB, U disk for communication with computer and server together.*
- *Support self-service report. You can export and import user information and shift setting in excel format. It also support export excel attendance report from device directly with USB flash drive.*
- *IP 67 Waterproof standard(optional)*

Specifications

<i>Basic</i>	<i>Working Mode</i>	<i>Online/Offlind</i>
	<i>Algorithm</i>	<i>THbio_3.0</i>
	<i>Verification Method</i>	<i>Finger, Card, PIN</i>
	<i>Fingerprint Capacity</i>	<i>3000/5000(Optional)</i>
	<i>Card Capacity</i>	<i>3000/5000(Optional)</i>
	<i>PIN Capacity</i>	<i>3000/5000(Optional)</i>
	<i>Record</i>	<i>170,000/250,000(Optional)</i>
	<i>Verification Speed</i>	<i>≤1.0 S</i>
	<i>Verification Mode</i>	<i>1: N, 1: 1</i>
	<i>FRR</i>	<i><0>01%</i>
<i>FAR</i>	<i><0.0001%</i>	
<i>Professional Access Control Function</i>	<i>Display</i>	<i>2.0 inch TFT color screen</i>
	<i>Input</i>	<i>Touch keyboard, T9 input</i>
	<i>Language</i>	<i>English, Arabic and So on</i>
	<i>Voice</i>	<i>English, Arabic and So on</i>
	<i>Communication</i>	<i>TCP/IP (LAN), USB disk, WG26/34, RS-485, RS-232</i>
<i>Others</i>	<i>Time Zone</i>	<i>8 day time zone, 8 week time zone, 5 lock combination, and support multiple people verification</i>
	<i>Anti-Tamper</i>	<i>YES</i>
	<i>Door Bell/sensor</i>	<i>YES</i>
	<i>Exit Button</i>	<i>YES</i>
	<i>Lock Signal</i>	<i>1 set relay output</i>
	<i>Wiegand Signal</i>	<i>Wiegand In/Out</i>
	<i>Alarm Signal</i>	<i>2 set signal (anti-tamper/threaten/door open/force)</i>
	<i>Anti pass back</i>	<i>Indoor/Outdoor</i>
	<i>Interlock</i>	<i>A/B doors</i>
	<i>Fire Alarm</i>	<i>YES</i>
<i>Dimension</i>	<i>L140 x W42 x H18mm</i>	
<i>Power Supply</i>	<i>DC 12V</i>
