

VIV-D2-F Smart Lock Fingerprint Access

The VIV-D2-F is a durable smart deadbolt with an aluminum alloy panel and satin nickel finish, designed to work with standard 60/70mm deadbolts (ANSI Grade 2). It supports fingerprint, 13.56MHz Mifare card, and mobile app access via Tuya or TLock. With Wi-Fi compatibility and optional hub support, users can manage access and change passcodes remotely. Powered by alkaline batteries and backed by an emergency key, it offers both smart convenience and reliable security. Tested for up to 300,000 uses, it ensures long-lasting performance.
