

## ***VIV-D3 Smart Key Box Access***

*The VIV-D3 Smart Key Box Access is a durable, anti-vandal smart lock made from zinc-alloy with IP53 waterproof protection. It offers multiple unlocking methods, including mobile app, fingerprint, Mifare card, and PIN (6–16 digits). Depending on the version (Tuya or TTLock), it supports up to 150 users. The device reads 13.56MHz Mifare cards and includes a micro USB port for emergency charging. With anti-peeping password protection and remote unlock capability via a gateway, it's ideal for secure, flexible access in various environments from -25°C to 55°C.*
